When Taking an Online Course

You are currently enrolled in an online college course and will be asked to show a professional and mature attitude through the semester. The following shows what it takes to be successful in learning while taking a course that has little if no face-to-face contact with either your instructor or fellow students:

- Tests ~
 - weekly modules and exercises
 - be aware of quiz dates via Syllabus/Calendar/Announcements
 - if applicable, form independent study groups with peers
 - ask questions
 - quizzes may be timed
- Grades ~
 - attendance/effort does NOT count toward a grade; **LACK** of attendance will HURT you though
 - keep track of your own grades using the grad book
 - calculate your own grades to keep track of grade requirements
 - have questions about your grade ASK immediately via email (don't wait till the mid or end of the course)
- Instructors ~
 - DO not remind you of incomplete work or assignment dates
 - DO not keep attendance
- Accountability ~
 - monitor your own time
 - make your own decisions about extracurricular activities
 - practice good time management strategies

- understand YOUR responsibilities and expectations of college
- BE prepared
- DON'T procrastinate
- Understand your instructor is here to help "facilitate" or guide your learning, it is up to you to make it happen

Course Policies

Attendance

As per college policy, you are expected to attend classes regularly, whether they are face-to-face or online.

Tests/Make-ups

If the late submission has been requested and approved in advance of the due date, there will be no deduction of points from the grade. An **email to the instructor** requesting an extension of the due date should be sufficient. All assignments must be completed to pass the course.

Late Policy

Prompt submission of assignments and timely feedback to classmates via the Discussion area is vital to this class. Early submission allows the instructor to give you the guidance and grades you deserve. Due dates for each week are published on the course calendar at the start of the class. **Work turned in by midnight on the due date will be considered on time and will receive full credit. Work that has not been submitted by midnight on the due date will receive a zero.**

Course Disclaimer

Every attempt is made to provide a complete syllabus that provides an accurate overview of the courses. However, circumstances and events may make it necessary for the instructor to modify the syllabus during the semester. This may depend, in part, on the progress, needs and experiences of the students.

College Policies

View current [Student Guide & Calendar](#) (includes Student Conduct, Honor Codes and Academic Honesty) for detailed College Policy information:
