Learning and Physical Disabilities Policy

Geneva College values diversity and inclusion and recognizes disabilities as an aspect of diversity. Our shared goal is to create learning environments that are accessible, equitable, and inclusive, ultimately leading to the success of our students in and beyond college. Therefore, Geneva College complies with the ADA as well as Section 504 of the Rehabilitation Act by affording reasonable accommodations to qualified students with disabilities. Any student with a disability who needs academic accommodations should contact Geneva's Student Success Center (SSC) to arrange a confidential appointment with the Director of the SSC before or during the first week of classes. (Some accommodations may take time to put into place, so it is advised to request this appointment as early as possible.) Legally, no retroactive accommodations can be provided. Accommodations for disabilities are available only as recommended by the SSC. Students whose accommodations are approved will be provided confidential letters which students should review and discuss with their instructors in relation to course requirements. Students who have questions about their right to benefits or have grievances under these statutes should contact the Director of the SSC. Policy on Academic Honesty

Geneva College has adopted a campus wide policy on academic honesty; the main portions of which are summarized here. Students should become aware of the fuller policy found in Appendix A of the student handbook.

When an instructor has reason to believe that dishonest behavior has occurred, the parties involved should be confronted as soon as possible by the instructor and notification made to the Department of Professional and Online Graduate Studies (see Appendix A of the student handbook).

Sanctions may be levied on the student, which could range from an informal warning to expulsion, based on the seriousness of the student's offense (see Appendix A of the student handbook).

Students may appeal any disciplinary action by following the procedure laid out in the College's Policy on Academic Honesty (see Appendix A of the student handbook).

Students are encouraged to visit www.plagiarism.org in order to clarify what constitutes plagiarism as well as a number of other academic standards. This website also provides directives as to how to avoid committing this act and how to properly cite academic sources.

Turnitin Policy

Students agree that by taking this course all required papers may be subject to submission for textual similarity review to Turnitin.com for the detection of plagiarism. All submitted papers will be included as source documents in the Turnitin reference database solely for the purpose of detecting plagiarism of such papers. Students must agree to the End User License Agreement (EULA) for Turnitin. Use of the Turnitin service is subject to the Usage Policy and Privacy Pledge posted on Turnitin.com. Assignments that are not submitted through Turnitin will not be graded and will not receive credit.

Participation Policy

In the online environment, **participation is marked by the completion of an academic event in each session (week) of the course.** Academic events include, but are not limited to, submission of a class assignment, participation in class discussion forum, or completion of a quiz/exam.

If no academic event is completed within the first session (Week 1) of a course, the student will be administratively withdrawn from the course. Beyond the first session, if no academic event is completed for a class session, the student will be considered as having not participated in that week of

class, which in some cases may result in zeros on the missed assignments and a half-letter grade deduction from the student's final course grade.

If a student does not complete an academic event for two consecutive sessions, the student will either be administratively withdrawn from the course or will receive a final course grade of F, depending on how much of the course has transpired at the time of the second week of nonparticipation. For more details, please review Geneva's Student Handbook ([Undergraduate](#) and [Graduate](#)).

Assignment Descriptions

Discussion Forums

Class participation is monitored by postings and responses in the discussion forum. Typically, class participation is composed of two parts:

- Part 1 – Requires you to go to your discussion forum and post a response to a question or prompt that is written in your syllabus by 11:55 pm (EST) Wednesday of your scheduled session week. Your instructor will generally respond to your post within 24 hours. Depending on the nature of the assignment, the instructor may have a follow up question for you, ask you for clarification or further details, or direct your conversation to someone else for rebuttal.
- Part 2 – Respond back to your instructor's post. In addition, post a response to at least two of your fellow classmates' postings, using 1 or 2 paragraphs. Your response should further the discussion (e.g., ask a question, provide further information or examples, or introduce a different opinion). In particular, one response to a classmate **MUST** be in the form of a question that seeks to further the conversation. Your question must be posed by 11:55 pm (EST) Friday of the scheduled session week so that your classmate has adequate time to answer it.

Likewise, if a question is posed to you by Friday night, you are also required to answer it.

Part 2 of these online activities (response to instructor, response to classmates' questions of you, and responses to your classmates) must be completed by 11:55 pm (EST) Saturday of each session.

NOTE: How to earn full credit in discussion forums:

1. Become familiar with the discussion forum rubric, which is available to you in all of your Moodle classroom discussion forums.
2. Be thoughtful in your responses and incorporate examples from your personal and professional experiences and references to the course material (e.g., readings, lecture, videos, audio clips, scripture, etc.) when appropriate. Remember to cite all sources and references according to proper APA style.
3. Respond to the discussion contributions of at least 2 peers and be sure to adequately address all posts your instructor may pose to you throughout the week. This level of participation is REQUIRED as the minimum in all discussion forums (see the rubric for more detail).

Your posting and responses will be graded by your instructor. For a detailed description of your responsibility in discussion forum postings, please see the "Interacting in the Online Environment" section in the ADP Student Handbook.

Written Assignments

Throughout this course, students will complete five written assignments that will require them to concisely respond to and apply some of the key course concepts. Specific instructions for completing these written assignments can be found in the course outline below.

- Session 1: Written Assignment 1
- Session 3: Written Assignment 2
- Session 5: Written Assignment 3
- Session 7: Written Assignment 4
- Session 8: Written Assignment 5

Each of these written assignments will be graded on content, style, and timeliness. They should adhere to all page length requirements and typical APA style and formatting (double spacing, proper APA citations, etc.).

All written assignments are due by 11:55 pm (EST) Saturday of the designated session week.

Quizzes

During this course, there will be four quizzes that cover the essential elements of the text, readings, videos, and related lectures in order to help students review and identify important facets of death, dying, and bereavement. These quizzes will include multiple choice questions.

- Session 2 – Students will take an online quiz on the assigned readings, resources, and lecture material covered in Session 1 and Session 2
- Session 4 – Students will take an online quiz on the assigned readings, resources, and lecture material covered in Session 3 and Session 4
- Session 6 – Students will take an online quiz on the assigned readings, resources, and lecture material covered in Session 5 and Session 6
- Session 8 – Students will take an online quiz on the assigned readings, resources, and lecture material covered in Session 7 and Session 8

Students will be allowed to consult their text and notes when taking online quizzes. However, quizzes will be timed, and students will need to have a working knowledge of the material before taking the quiz. There will simply not be enough time to “look up” every answer in your text.

If a student does not take the quiz by Saturday at 11:55 pm (EST) of the designated session week, they will not have an opportunity to make it up.

Emotional Support Training Presentation

Imagine you are the Training Coordinator for a hospice agency. You have been asked to develop and present a 10 minute in-service training to agency staff. The topic of your presentation should focus on providing emotional support to the following three groups of grieving individuals: (1) a person dying of a terminal illness, (2) family members of someone who is dying (both before and after their loved one's death), and (3) professional caregivers for those who are dying.

The training presentation will be an audio embedded PowerPoint presentation that will be uploaded to a forum in your Moodle classroom. Your fellow classmates and instructor will be able to view your presentation and make comments. If you need further instructions for recording your audio embedded PowerPoint, a tutorial will be available in your Moodle classroom.

After uploading your presentation, watch 5 of your classmates' presentations. Give feedback to each of these 5 students' presentations. Feedback should be approximately 50 words and include opportunity for constructive feedback on the presentation's content, style, and delivery. This is not an opportunity to be critical, but to help each other to improve and develop skills in presenting.

Students must post their Emotional Support Training Presentation by 11:55 pm (EST) Wednesday Session 8.

Feedback on 5 classmates' presentations must occur by 11:55 pm (EST) Saturday Session 8.
