## Policy on Academic Honesty

---

Geneva College has adopted a campus wide policy on academic honesty; the main portions of which are summarized here. Students should become aware of the fuller policy found in Appendix A of the student handbook.

When an instructor has reason to believe that dishonest behavior has occurred, the parties involved should be confronted as soon as possible by the instructor and notification made to the Department of Professional and Online Graduate Studies (see Appendix A of the student handbook).

Sanctions may be levied on the student, which could range from an informal warning to expulsion, based on the seriousness of the student's offense (see Appendix A of the student handbook).

Students may appeal any disciplinary action by following the procedure laid out in the College's Policy on Academic Honesty (see Appendix A of the student handbook).

Students are encouraged to visit [www.plagiarism.org](http://www.plagiarism.org) in order to clarify what constitutes plagiarism as well as a number of other academic standards. This website also provides directives as to how to avoid committing this act and how to properly cite academic sources.

## Assignment Descriptions

---

### *Discussion Forums*

Class participation is monitored by postings and responses in the discussion forum. Typically, class participation is composed of two parts:

- a. Part 1 – Requires you to go to your discussion forum and post a response to a question or prompt that is written in your syllabus by 11:55 pm (EST) Wednesday of your scheduled session week. Your instructor will generally respond to your post within 24 hours. Depending on the nature of the assignment, the instructor may have a follow up question for you, ask you for clarification or further details, or direct your conversation to someone else for rebuttal.
- b. Part 2 – Respond back to your instructor’s post. In addition, post a response to at least two of your fellow classmates’ postings, using 1 or 2 paragraphs. Your response should further the discussion (e.g., ask a question, provide further information or examples, or introduce a different opinion). In particular, one response to a classmate **MUST** be in the form of a question that seeks to further the conversation. Your question must be posed by 11:55 pm (EST) Friday of the scheduled session week so that your classmate has adequate time to answer it.

Likewise, if a question is posed to you by Friday night, you are also required to answer it.

Part 2 of these online activities (response to instructor, response to classmates’ questions of you, and responses to your classmates) must be completed by 11:55 pm (EST) Saturday of each session.

**NOTE:** How to earn full credit in discussion forums:

1. Become familiar with the discussion forum rubric, which is available to you in all of your Moodle classroom discussion forums.
2. Be thoughtful in your responses and incorporate examples from your personal and professional experiences and references to the course material (e.g., readings, lecture, videos, audio clips,

scripture, etc.) when appropriate. Remember to cite all sources and references according to proper APA style.

3. Respond to the discussion contributions of at least 2 peers and be sure to adequately address all posts your instructor may pose to you throughout the week. This level of participation is REQUIRED as the minimum in all discussion forums (see the rubric for more detail).

Your posting and responses will be graded by your instructor. For a detailed discussion of your responsibility in discussion forum postings, please see the “Guidelines for ADP Students in Online Discussions” document in your Moodle orientation course.

### *Discussion Forum 7*

Discussion Forum 7 asks students to evaluate a worship service experience at a local church. Students may choose to attend and evaluate a worship service at their home church, or if the student does not currently have a home church, then the student may choose to evaluate a church that they plan to visit. This worship service visit can take place any time during the first 6 weeks of the course, but it will need to be completed prior to Session 7 so that the discussion forum can be completed on time.

The goal of this discussion forum is to evaluate how welcoming our churches appear to be and if evangelism is an apparent priority based upon an average worship service. The evaluation will be completed using the questions included in the “Worship Evaluation Sheet” (available in the Moodle classroom).

### *Personal Testimony Oral Presentation*

In Session 4, students will work toward developing a clear and concise personal testimony document. In addition to preparing one’s testimony through written word, it is also important for students to be able to practice sharing their testimony verbally and naturally. Therefore, students will create a recording of their personal testimony, using the “Personal Testimony Guidelines” document to guide the presentation. Students may choose to record their testimony with both audio and video by using a webcam or as an audio-only file.

After uploading their testimony presentations, students should view at least 5 of their classmates’ presentations and share words of encouragement and support. Additionally, students should ask any clarifying questions they may have in order to help the presenter make his or her testimony easier to understand and to help the presenter anticipate follow-up questions he or she may receive when sharing his or her story with someone in person.

Students must post their personal testimony recording by 11:55 pm (EST) Wednesday Session 4.

Responses to classmates’ testimonies must occur by 11:55 pm (EST) Saturday Session 4.

## Evangelism Project

The Evangelism Project is designed to help students work toward becoming more articulate in sharing their own faith and better equipped to give leadership to an evangelistic effort in their community. The project will be worked on in several parts, allowing for feedback and comments from the instructor. The project will culminate in the Final Evangelism Project due in Session 8.

In total, the Final Evangelism Project should be 20-24 pages in length (not including cover sheet, table of contents, or reference page) and adhere to typical APA style and formatting (double spacing, proper APA citations, etc.).

The Final Evangelism Project is due by 11:55 pm (EST) Saturday Session 8.
