8. *Statement on Self-Care* – College in general is a rich and fulfilling experience, full of opportunities for students. Along with this abundance of opportunities comes the challenge of maintaining a healthy life balance characterized by productive tension, a sensible schedule, and time for rest. Productive tension, at times, can be compounded by unexpected life challenges, causing unproductive levels of stress. This can lead to feelings of sadness, increased anxiety, and an overall lack of focus. For this reason, LBC | Capital strongly encourages students to care for themselves physically, emotionally, and spiritually during each academic term and throughout their journeys. Everyone benefits by support in times of struggle so students are also encouraged to seek help promptly by talking with professors, College staff or the Counseling & Career Center (C3) about life challenges as related to academic performance and to seek advice regarding available supports inside and outside of the LBC | Capital community.
