## **Social Psychology (PSY401/SOC401)-Online**

### **Course Information**

3 cr. Hours- An examination of social interactions, the impact of the group on the individual and the impact of the individual on the group. Focus is on interpersonal behavior and feelings liking, love, aggression, conformity, communications and attitude formation and change.

#### **Course Prerequisites:**

PSY153

### **Course Learning Objectives**

Help student's gain a deeper understanding of themselves and possibly even answer some questions about certain behaviors through the eyes of Social Psychology. In addition students will:

- \*Expand knowledge and understanding of the workings of Social Psychology;
- \*Demonstrate understanding and mastery for appropriately managing a range of general and discipline-specific ethical dilemmas;
- \*Learn material presented in readings and other assigned exercises and apply to current situations;
- \*Develop a broadened understanding of how social psychology relates to the everyday lives of people;
- \*Utilize the research or scholarship of the discipline and produce scholarly or creative products consistent with disciplinary standards;
- \*Provide opportunities to acquire certain skills which are useful not only in the context of investigating, understanding, and influencing human behavior but which are generalizable to other aspects of life;
- \*Excel in written and oral communication, with the ability to convey complex ideas clearly, consistently, and logically;
- \*Increase ability to effectively communicate.

## Attendance

This is an online format course.

## Academic Integrity

Any student detected of academic dishonesty will receive the appropriate sanctions, which can include a failing grade ("F") for the course. In cases of serious violations, additional sanctions (such as academic probation or suspension) are possible.

## Accommodations and ADA Policy

In accordance with the Americans with Disabilities Act (ADA), McKendree University provides services, auxiliary aids, and accommodations to meet the unique learning needs of students with disabilities.

Students with officially documented disabilities, medical needs, legal problems, or who are the victims of crimes may qualify for educational accommodations. A student requiring assistance should contact the McKendree Student Success and Advising Center (SSAC). The SSAC provides coordination and implementation of special accommodations for students with documented disabilities.

For further information regarding university or course policies, please consult with your instructor and/or refer to the catalog.

## Assignments

Please refer to the Syllabus & Orientation link within the online course for specific instructions and descriptions for all course tasks.
