**Course Learning Outcomes.** Each student will:

- 1) Familiarize students with the concepts and management of business operations in the context of supply chain
- 2) Develop student skills in a variety of related problem-solving methods
- 3) Discuss ethics in the supply chain related in particular to the global nature, different cultures and countries, sourcing and quality
- 4) Evaluate supply chain management related issues and problems using data analysis techniques
- 5) Communicate concepts an analysis based on cases and/or assignments, group project, and interpretation of interpreting of quantitative results.

**Means of Assessment**

The assessment of this course will cover the learning outcomes for the problem-solving portion of the course.

It is the student's responsibility to check the course announcements, assignments, handouts, and gradebook in [www.my.ncwc.edu](http://www.my.ncwc.edu) of this course. This should be done on a daily basis. **The syllabus is subject to revision during the course term at the discretion of the professor.** Students will be notified by email and through an announcement in my.ncwc.edu of any changes.

**Attendance:**

It is important that you report to class on time in order to remain in accordance with College policy, "Punctual attendance is required for every class and laboratory session except in case of illness, unavoidable circumstances, or college extracurricular activities as approved by the Senior Vice President of Academic Affairs." Attendance records will be maintained by the instructor. Students having four (4) unexcused absences will be withdrawn from the course. Note: Students with unexcused absences and tardies will lose points for attendance. **Early departure from class will affect your grade.**

**Exceptions**

Student-athletes may have games or travel related to games that exceed the 3 hours of absence limit. Students will not be penalized for such sport-related absences that exceed the 3 hours of allowed absence limit, but will be penalized for other absences that were not sport-related.

**APA Citation Policy and Reference Materials:** *The Business Division citation policy is that all students should use the American Psychological Association (APA) citation style for all assignments and projects. Please refer to the reference formatting information available through the Writing Center or the NCWC Library website.*

**Note: All assignments may be submitted to an electronic review by plagiarism prevention websites or plagiarism detection software.**

**Quizzes:**

There will be unscheduled quizzes given during the semester. They will be given at the start of the class period and will have a 15 minute time limit. Missed quizzes may not be made up. Students who arrive late to class may only have until the end of the stated time limit for the class to work on the quiz.
